INTERESTS AND ACHIEVEMENTS

🖌 **Art**
I enjoy drawing, painting and visiting art galleries.

🎵 **Music**
Participated in the university Concert Band, Folk Music Society and various orchestras in school, where I led the Sax Band and took part in the Music for Youth competition and school musical.

🧍 **Volunteering**
Currently assisting with the teaching of English to refugees. Spent three years as a Girlguiding young leader where I led, taught and assisted young girls with crafts and play. I raised money to travel to Uganda, where I taught English and Maths to homeless boys.

ABOUT ME

I am looking for a two or three-month long internship in Frontend Development from March. My preferred technology is React but I am hoping to learn new skills. I also have a keen eye for detail and an interest in UX design.
